VOLUNTEER AGREEMENT

We're grateful for your interest in volunteering with us! Please note that the safety, security, and anonymity of our Enrollees (clients) are of paramount importance. This Agreement outlines our policies and procedures regarding volunteers and volunteering at our Padre's Place Treatment Facilities.

Padre's Place is a safe and protective environment to come and begin a journey of recovery from drug and alcohol use (Substance Use Disorder). Our enrollees often arrive to us in a fragile and precarious state and it is our duty to help protect their sobriety at all costs. It is with this in mind that we have created the following guidelines.

1. **Anonymity** - Our program is one of anonymity. Clients go by their first name and first name only. Our enrollees should not offer nor should any volunteer ask for the enrollees last name, where they are from, or any other personal information that may compromise their anonymity.
2. **Property & Transportation** - Enrollees are not permitted to leave the property without the expressed permission of the House Manager. *Do not* offer rides to or have the Enrollee accompany you outside of the fenced area.
3. **Fraternization & Proximity** - Fraternization is defined as the act of establishing intimate relations between people (or groups). Interaction with the Enrollees should be limited and within view of at least one Staff Member at all times.
4. **Gifts** - Please do not bring or provide any items for the Enrollees. Their belongings are searched randomly throughout their stay at Padre's Place.
